Thanksgiving Category Game

HOW TO PLAY / Flexible answers, friendly discussion.

ONE CATEGORY, THREE LETTERS

For every row, write an answer beginning with P, S and C. Example: for "Colors", pink, silver and coral would fit. This example is not an answer key for your sheet.

PLAY ONE LETTER AT A TIME

Allow four minutes for the P column, then four for S and four for C. Each answer must fit its category and begin with that column letter. Do not repeat an answer within the same column. Agree whether proper nouns count before play.

SHARE AND CHECK

Read answers aloud. Award one point per accepted answer, up to 36. Players may share valid answers; uniqueness is not required. Blank or disputed answers can be skipped, and ties remain ties. For relaxed play, remove the timer and scoring.
