THANKSGIVING
Guess Who Gratitude Game

HOST GUIDE / A gentle guessing game.

WRITE WITHOUT NAMES

Cut out the six slips, making more copies as needed. Everyone answers the same prompt without signing. Avoid sensitive or identifying details. Anyone may pass.

MIX AND READ

Collect folded slips and shuffle them. Read one response at a time. Let the group make friendly guesses, then invite the writer to reveal themselves if comfortable.

KEEP IT KIND

Do not insist on a reveal, challenge a response or tease a player. Play without scores, prizes or penalties. An unrevealed response is fine. Set aside any slip the writer wants withdrawn.
