THANKSGIVING
Pie Tasting Ballots

HOST TALLY / Three pies, no pressure to taste.

LABEL AND CHECK

Label the pies A, B and C. Share ingredient and allergen information before serving; do not guess about safety. Offer separate clean serving utensils and let guests skip any sample.

COLLECT THE BALLOTS

Ratings from 1 to 5 are personal preferences, not a combined score. Count only the chosen FAVORITE on each ballot: one vote for A, B or C. Guests who skip a sample should abstain from an overall favorite; ignore abstentions.

PIE A Favorite votes: _____

PIE B Favorite votes: _____

PIE C Favorite votes: _____

The most favorite votes wins this group's vote. Ties are shared favorites. Do not add the rating categories or count abstentions as votes.
